NO BANNERS OR FLAGS AT DEEPDALE

As announced through the Press and in our match advertisements, the Board of Directors have decided regretfully that in future banners and flags will not be permitted inside the grounds, at either first or second team games.

It was found that banners and the like constituted a source of irritation and danger to many supporters.

To obviate friction of this kind young supporters are asked not to bring banners or flags to games at Deepdale.

CLUB NOTES

HOME POINT LOST, ONE GAINED AWAY

TWO POINTS have been added to North End's record since our last comments, one conceded at Deepdale being balanced by one gained at Huddersfield. Both games were typical of what is to be expected in the Second Division this season — hard struggles between many well matched rivals with no slackening of effort.

Ipswich proved themselves a balanced, well organised side at Deepdale a fortnight ago. The best we could manage was a draw after two successive home wins. Archie Gemmill put North End ahead by smartly making and taking an opportunity. Ipswich equalised in the second half through Crawford and missed other chances.

Alan Kelly was in good form, his anticipation and judgment several times averting danger, and he again excelled at Huddersfield where our defence gave an improved performance. Not much was seen of North End's attack in a goalless first half and Huddersfield deserved the lead from a fine goal by Dobson after 58 minutes.

North End fought back gamely and earned a valuable point by a determined rally. Ernie Hannigan scored the saver in the 77th minute with a spectacular volley following a free kick. Hitting the ball just right he beat Oldfield completely. It was a satisfactory ending from our point of view. Points for visiting teams are always scarce at Huddersfield.

CLUB NOTES—*continued*

Thus, with one-third of the season gone, North End's record is 14 points from 14 matches, the same as that of our opponents to-day, Bolton Wanderers. Our attack has been disappointing through shortcomings in finishing, but sound defence in most of the matches has compensated, the goals record being 16-17.

The chief weakness has been the inside forward positions. Five players have been tried at inside right, three at centre forward and five at inside left without, so far, producing a harmonious blend of slick, effective finishing. The lack of goals from these players — only nine in 14 games — has not been due to want of opportunity. Scoring chances galore have been wasted.

However, the loss of six points at Deepdale has been balanced by the acquisition of six in away matches which is a vast improvement on what was achieved last season. Supporters who feel that the promotion chance has gone — which is definitely not the management's view — may find some encouragement in a comparison with the early results during North End's last promotion season.

Starting with a home defeat, as in the present season, the team's record after eight games was five points from two wins and a draw, with 13 goals conceded, and despite a recovery which produced five successive wins the points total after 14 matches was only 15 points. The championship was won with a final count of 57.

The Wanderers, too, have had their ups and downs this season. They started with three wins and three draws in seven games, the first of which Birmingham won by 4-0. Four successive defeats followed against Carlisle, Blackburn Rovers, Blackpool and Queen's Park Rangers. Then came two wins and a draw, making 14 points altogether.

OUR VISITORS—*Bolton Wanderers*

IT IS PLEASING to welcome the Wanderers back to Deepdale, even though, over the years the time-honoured "Trotters" have so frequently left our team feeling sorry for themselves by good performances on what has always been a happy hunting ground for Bolton. Last season, for example, they completed a fine double with a 3-0 win, Francis Lee scoring all three with superb opportunism.

Lee is now with Manchester City as a result of a recent costly transfer which, coupled with the departure of Wyn Davies to Newcastle United, means that the Wanderers have lost two of their most dangerous forwards in about 12 months through being unable to keep them. Between them they scored 34 of Bolton's 64 goals last season. The next highest total among 11 other scorers was six by Bromley and Byrom, and there were three by opponents.

The outcome was that the Wanderers' hope of promotion at the fourth attempt disappeared, the team finishing ninth for the third successive season with 42 points from 14 wins and 14 draws, so that there were also 14 defeats. Their goals record was 64-58. Away from home Wanderers had four wins and seven draws.

Bolton, like ourselves, have been victims of the new system which makes it extremely difficult both to keep outstanding players or to get adequate replacements, short of signing cheques for huge, inflated amounts, paying wages double those of six years ago and offering various "incentives."

OUR VISITORS—*continued from page 9*

Nevertheless, again like North End, the Wanderers are not resigned to being a Second Division club indefinitely or to existing on meagre gates. Tradition and an impressive record stamp them as a First Division club and they have proved by their recent expensive enterprise that they mean to get back.

Within a fortnight, as North End did last season, they have twice set up a club record transfer fee by signing first that redoubtable Cardiff wing-half, Gareth Williams, and then the Wolves' winger Terry Wharton. It is interesting to note that sons of two former North End players, Summerbee and Wharton, are among to-day's outstanding players. Wharton also has close Bolton and Blackburn connections.

One of the original 12 League clubs, Bolton have a magnificent record in spite of having been relegated six times. They have spent 58 of the League's 68 completed seasons in the First Division, including successive sequences of 18 and 22 seasons. Until recent times they have never spent more than two consecutive seasons in Division II and thrice achieved promotion at the first attempt.

In the F.A. Cup competition Bolton have won the trophy four times, with the remarkable record of not having conceded a goal.

BOLTON WANDERERS PLAYERS

Ted Hopkinson (*goalkeeper*). A former England accomplished international who took part in the World Cup series in Sweden and toured behind the "Iron Curtain" with the England "B" team in 1957. He also played in Under-23 internationals. Usually saves up a good show for games with North End.

Dave Hatton (*right back*). A young Farnworth-born player who has been developed through the junior teams at Burnden Park and justified predictions of a promising future. A sound tackler and quick in recovery.

Syd Farrimond (*left back*). Born at Hindley, near Wigan. Played in local soccer with the Wanderers' junior teams and then for England Youth before making first team grade. Absent only four times last term.

Gareth Williams (*right half*). Born Wembley but found and developed by Cardiff City into a strong and forceful defender. Cost Bolton their then record fee last month.

John Hulme (*centre half*). A Cheshire product hailing from Mobberley, Came to Burnden from school and graduated through the junior teams. A powerful six-foot stopper, he has ably succeeded Napier.

Warwick Rimmer (*left half*). Born at Birkenhead, is a former England schoolboy international who became a lion-hearted Wanderers' stalwart. Played in 40 League games last season.

Terry Wharton (*outside right*). Back to his native Bolton this week from Wolves for highest fee paid by Wanderers. The previous record for G. Williams soon being surpassed. Forceful raider who scored 13 goals for Wolves promotion team last season. Son of one-time North End and Blackburn winger, Jackie Wharton.

Roy Greaves (*inside right*). One of the Wanderers' players born at Farnworth. Introduced last season and has been showing much promise.

John Byrom (*centre forward*). Born Blackburn, started his career as an amateur with his town's club, Blackburn Rovers. On turning professional stayed with Blackburn Rovers until his transfer to Bolton during the 1966 close season.

Fred Hill (*inside left*). Born at Sheffield. Capped by England at Full and Under-23 levels. A skilful schemer who seldom scores these days.

Gordon Taylor (*outside left*). Another competent and versatile forward who joined the club as an amateur and graduated from the juniors. Comes from Ashton-under-Lyne.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that FULL USE SHOULD BE MADE OF THE CAR PARKS WHICH ARE PROVIDED.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will AVOID BEING PROSECUTED for inconsiderate use of the highway.

YOUNG SUPPORTERS WARNED

Despite requests to supporters that the playing area should be kept clear at all times, juvenile spectators have come on to the pitch during matches. Such irresponsible behaviour could result in this Club being the subject of action by the Football Association. If these incursions on to the pitch do not cease, the Board of Directors may be compelled to close ALL JUVENILE STILES AT BOTH FIRST AND SECOND TEAM GAMES. This is a course of action they do not wish to take, but order must be preserved at games at Deepdale for the safety of all spectators.
